Community Invited to Join Outreach Campaign

PENSACOLA, Fla. – In response to ongoing acts of gun violence throughout our community, the Escambia County Sheriff's Office is launching a public outreach campaign to encourage community involvement in reporting crimes and combating gun violence.

The greatest weapon we have in fighting crime is a community that will no longer accept it.

Sheriff Morgan would like to invite the media and any concerned member of the community to join us Thursday, September 26 at 1:00 pm at the Escambia County Sheriff's Office for the launching of a series of new public service announcements featuring Pastor Rodney Jones and produced by the Escambia County Sheriff's Office. Rodney and his wife LaTasha, are the founders and pastors of New World Believer's Ministries. Through his ministry, Pastor Jones works with individuals coping with all sorts of issues from substance abuse to homelessness and gang violence.

There will also be plenty of information concerning anonymous reporting via Gulf Coast Crime Stoppers, unsolved cases that need community involvement to be put to rest and the introduction of a program designed to remove illegal guns from our streets.

Please join us in this effort to take our streets back from violent gun crimes.

The event will be held at 1:00 pm Thursday September 26 at the Sheriff's Office Administration Building, 1700 West Leonard Street. For more information, contact Sgt. Andy Hobbs (850) 554-1908.
